CERTIFICATE CLASS

REACHING THE QUARRY: Time from dog's release, to reaching quarry: _____
Within 30 seconds = 50 points Score _____
WORKING THE QUARRY: Total time dog worked (without break): _____
If dog worked 60 seconds = 50 points. Score _____
Judge's comments (Circle or describe exactly how the dog "worked"):
barking, whining, growling, digging, biting at the bars or cage,
lunging at the cage, or a frozen concentrated focused stare Total Score: _____

In all classes: If the dog leaves the quarry before it begins to work, then it receives no points. Any definite break in work marks the dog's time, even though he starts up again. This does not mean a natural change from one type of work to another.
